

## Drip Drops

that dog.

Tick tick tick  
Goes the bomb, bomb, bomb  
In my heart, heart, heart  
As I fall apart

Before I return  
From the graves of my grief  
When I return  
Will I come in peace or in pieces?

Drip drip drip  
Into drop, drop, drops  
That go on and on  
Will it ever stop?

Before I return  
From the graves of my grief  
When I return  
Will I come in peace or in pieces?
