

## If You Just Didn't Do It

that dog.

I'm writing this song  
Because I can't talk to you  
I don't know for how long  
Or even if I want to  
I wrote you a letter  
But I knew that you would read it wrong  
So I thought this was better  
In case you want to sing along

If you just didn't do it  
Then you wouldn't do it  
And you wouldn't be here right now

Take it from the top  
Let's go!  
5, 6, 7, 8  
To the coffee shop  
Back to where you wished you'd run away  
You said I wouldn't let you  
Like I can hold you down by myself  
I was trying to protect you  
But I can't protect you from yourself

If you just didn't do it  
Then you wouldn't do it  
And you wouldn't be here right now

Kick and scream like a little girl  
Blame it on me and our little world  
Go back and read every single word  
And you'll see in the very scene that you wrote  
You were the only one who let it go

If you just didn't do it  
Then you wouldn't do it  
And you wouldn't be here right now
