

## Damn Door

### That Handsome Devil

(And here he is, the star of our show, direct from the bar)

Baby girl, what'd you say?  
I'll kick this damn door down

Love is a grudge that I won't hold you to  
Uncontrollable, it'll roll right over you  
Don't pull me into your little world  
I'm doin' fine right here  
Check the driver's-side mirror  
It's closer than it might appear

My heroes OD'd, robbed banks and killed themselves  
Lyin' on the floor with their insides spillin' out

Baby, wait, baby girl, what'd you say? Oh, no  
I'll kick this damn door down  
I'll kick this damn door down

I'm comin' down with the shakes  
My heart is poundin' away  
Da-boom, boom, boom, boom, boom, boom  
I'm knockin' others awake  
With the sound that it makes  
A-boom, boom, boom, boom, boom, boom  
I'm burning out the mistakes  
My foot is poundin' the brakes  
A-boom-boom-boom, boom, boom, boom, boom  
I'm gonna drown on the way  
With the sound that it makes  
A-boom, boom, boom, boom, boom, boom

My heroes OD'd, robbed banks and killed themselves  
Lyin' on the floor with their insides spillin' out

I'll kick this damn door down  
I'll kick this damn door down

My heroes OD'd, robbed banks and killed themselves  
Lyin' on the floor with their insides spillin' out

Wait a minute baby, baby, wait  
What? Come on  
I'll kick this damn door down  
I'll kick this damn door down  
I'll kick this damn door down  
(I'll kick this damn door down)
