

## Dinosaur

## That Handsome Devil

Get you a lady  
Make you a baby  
Fight like crazy  
Make you hate me

Take take out a loan  
Get you a home  
Stay there alone  
Stare at your phone

Pretty baby, what's you're crying for?  
We were dying since the dinosaurs

I don't want to hurt your feelings  
I guess it's just my way of dealing

Get you a husband  
Please and love him  
One in the stroller  
One in the oven

Take out a loan  
Get you a home  
Stay there alone  
With the stuff that you own

Pretty baby, what's you're crying for?  
We were dying since the dinosaurs

I don't want to hurt your feelings  
I guess it's just my way of dealing

I don't think we'll ever sing again  
No party or no mingling  
I will never feel a thing again

No, I don't think I'll ever sing again  
No party or no mingling  
I will not feel a thing again

No, I don't think I'll ever sing again  
No party or no mingling  
I will not feel a thing again

There we have the incidents leading up to the unhappy situation  
It began as simply as that  
When someone is making every effort to hurt our feelings  
Very few of us can take it
