

# Fake

## That Handsome Devil

Learn that your news was fake  
Your views were fake, schools were fake  
Money that you used was fake  
Rules are fake  
Your Food is fake

Celebrity news, lips and boobs were fake

Everything that's new is fake  
Accumulates till everything you do is fake  
Your feelings and your moods are fake  
The attitude is fake  
Don't tell me that it's true it's fake  
It isn't cool, it's fake  
Everything you've got to lose is fake

This is a distraction...  
From what is really happenin'

It's only a distraction...  
It isn't really happenin'

Your beliefs are fake  
The grievances you grieve are fake  
Your police are fake, the thieves and cheats are fake  
The food you eat, the company you keep is fake  
Convenient and discrete, self defeatist, obsolete and fake  
What you sow and what you reap are fake  
Completely fake  
I repeat, it's fake

And I just want this to feel real  
And I just want us to feel real

Your future and your past are fake  
The facts in the classes that you take are fake

The graphs and maps you make are fake  
Your laugh, your eyelashes, and your ass are fake  
Don't ask it's fake it's fake it's fake

This is a distraction...  
From what is really happenin'  
It's only a distraction...  
It isn't really happenin'

This is a distraction...  
From what is really happenin'  
It's only a distraction...  
It isn't really happenin'

This is a distraction...  
From what is really happenin'  
It's only a distraction...  
It isn't really happenin'
