

Inside You

That Handsome Devil

She don't have hobbies
No sports 'n' stuff
She don't like no TV
She just likes to fuck
There's no witty dialogue
In the parts we play
Sometimes we're only grunts
And moans for days

Tell me I'm beautiful
Give me your love
It's never enough
I just wanna fuck fuck fuck
Tell you you're beautiful
Give you my love
It's not what you want
You just wanna fuck fuck fuck

She don't have no hobbies
No she don't eat much
She don't like no movies
She just likes to fuck
She don't go outside
No sports 'n' stuff
She don't like no TV
She just likes to fuck

They don't know
What it's like inside you
But I do
No one knows
What it's like inside you
But I do

She don't have hobbies
No sports 'n' stuff
She don't like no TV
She just likes to fuck
She don't go outside
And she don't eat much
She don't like no movies
She just likes to fuck

They don't know
What it's like inside you
But I do
No one knows
What it's like inside you
But I do
