

# Johnny Wouldn't Die

## That Handsome Devil

In his favorite band shirt hangin' from the lamp cord  
Would've got it done if it wasn't for his grandma  
Stay away from razor blades, what a mess you've made today  
He wanted to be Kurt Cobain, but Johnny wouldn't die

But you're young and you think things last forever  
Sleep it off, you'll feel much better

In the garage, engine runnin'  
Feeling funny, dreamin' somethin'  
Close your eyes, see Death comin'  
Johnny wouldn't die  
Sit in the kitchen, head in the oven  
Feeling funny, dreamin' somethin'  
Guess that even God don't want him  
Johnny wouldn't die

Life just felt depressin', waiting, self-obsessin'  
At the pool at school, he sunk and held his breath in  
Stay away from razor blades, what a mess you've made today  
He wanted to be Kurt Cobain, but Johnny wouldn't die

But you're young and you think it won't get better  
Nothing lasts forever

In the garage, engine runnin'  
Feeling funny, dreamin' somethin'  
Close your eyes, see Death comin'  
Johnny wouldn't die  
Sit in the kitchen, head in the oven  
Feeling funny, dreamin' somethin'  
Guess that even God don't want him  
Johnny wouldn't die

Go Johnny, go; go, Johnny, go, go  
Go Johnny, go; go, Johnny, go  
Go to that white light; I'll see in the next life  
Go Johnny, go; go, Johnny, go, go  
Go Johnny, go; go, Johnny, go, go  
Go to that white light; I'll catch you on the flip side

Johnny wasn't doin' well on the train of Louisville  
Nearly overdosed in the back of a commuter rail  
Play all day with razor blades, burn out quick and fade away  
Say hello to Kurt Cobain, Johnny wouldn't die

But you're young and you think things last forever  
Sleep it off, you'll feel much better

In the garage, engine runnin'  
Feeling funny, dreamin' somethin'  
Close your eyes, see Death comin'  
Johnny wouldn't die  
Sit in the kitchen, head in the oven  
Feeling funny, dreamin' somethin'  
Guess that even God don't want him  
Johnny wouldn't die
