

Marilyn Loves Heroin

That Handsome Devil

Marilyn loves heroin
She's sharing with a married man
In her room at the Sheraton

And Erika and Carolyn
Were carrying a kilo
In their mommy's caravan

Now Julia does movies but
She barely ever used the stuff
And Julio and Susie lost their place
They stay at Julia's

And when the sheriff brought their parents in
Detectives test the hair and skin
Inside the caravan

You're fucking or you're getting fucked
Going down or you're getting up
And that's all (heh)
You're doing the sticking or you're getting stuck
Going down or getting up
And that's all
Baby doll, that's all

Now Julio knows Marilyn
She's having an affair with him
And Erika and Carolyn
Had no idea what they were in

See Julia was shooting up
She's used to the stuff that's usually cut
Choked on the junk when she threw it up
Julio flipped out and cut Susie up

Now Erika and Carolyn
Come tearing up the stairs
Not knowing he was there with Marilyn

And when the sheriffs brought their parents in
They said they found the caravan
Outside a Sheraton

You're fucking or you're getting fucked
Going down or you're getting up
And that's all (huh)
You're doing the sticking or you're getting stuck
Going down or you're getting up
And that's all
Baby doll, that's all

Marilyn loves heroin
She's passed out in the chair again
Having an affair with him

Erika and Carolyn
Were carrying a kilo

Having no idea what they were in

Now Julia was usually drunk
She barely ever used the stuff
Lying there dead with the music up
Julio flipped out and cut Susie up

Got scared and went to Marilyn
And Erika and Carolyn
Met 'em in their caravan

You're fucking or you're getting fucked
Going down or you're getting up
And that's all (hah)
You're doing the sticking or you're getting stuck
Going down or you're getting up
And that's all
Baby doll, that's all

You're fucking or you're getting fucked
Going down or you're getting up
And that's all (hah)
You're doing the sticking or you're getting stuck
Going down or you're getting up
And that's all
Baby doll, that's all

"Goodness, Marilyn. You must have put a lot of effort into this"
"Miss Henshaw, you'll just never know"
"That's right. Miss Henshaw probably never will know the whole story behind
Marilyn's last assignment in English 2"
