

# Trust

## That Handsome Devil

Trust in me  
Just in me  
Shut your eyes  
And trust in me

You can sleep  
Safe and sound  
Knowing I  
Am around

Slip into silent slumber  
Sail on a silver mist  
Slowly and surely your senses  
Will cease to exist

Trust in me  
Just in me  
Shut your eyes  
And trust in me

Trust in me  
Just in me  
Shut your eyes  
And trust in me

(Exploiting insecurity for power and control, a slimy Snake. Lulling hypnosis, coiling around the prayers of its prey. There was no heart, there was no soul, life led only to death, and if there was no peace then he would go to war)
