

Azul

That Mexican OT

"Aiiyyo is that Mexican O.T?..."

I'mma sneeze with that choppa
Like I said "Salud"
Rocking outta the block
With the gang throwing Azul
I'mma pop out when it's dark
Gotta catch him like peek-a-boo
Big choppa put his patnah on the news
With a whole lotta yappas
And with a whole lotta choppas
O.T ready to shut this bitch down
I'mma slide to your block with this Glock
I'mma up and then pop O.T gon' put a man down
Decapitated anybody that get in my way, right on
Bad bitch in the bed we be fucking with the light on
Hit us so much cocaine
They thought we had all white on
Hit a drive by on this bitch boy
Then ride on
People say I'm pussy
I dare you to stick a dick in this
I'm with the siffles
And even chlamydia
I got yappas and choppas
Ready to pop and get rid of you
Open up with the yappa
At his momma's
And I'mma stick it up

I'mma sneeze with that choppa
Like I said salud
Rocking outta the block
With the gang throwing Azul
I'mma pop out when it's dark
Gotta catch him like peek-a-boo
Big choppa put his patnah on the news
With a whole lotta yappas
And with a whole lotta choppas
O.T ready to shut this bitch down
I'mma slide to your block with this Glock
I'mma up and then pop O.T gon' put a man down

He gon' put that man down
I'mma keep my head up
Never be tripping
That big bark and little puffs
I be all on my mission
I'm mentioned doing too much
Said I fit the description on what they can't do enough
Gotta love it mang
And they on one
Well they must be
Think he's mad
Cus his lady wanna fuck me
Young Mexicano and I'm coming out the country
Name a baby momma and and a mama that don't love me

If you love me I love you back
If you hate me I love you back
Said she called me her lumberjack
Got a taste now she's coming back
Right, so I let her know when to come or if I'mma go
Hold up, goddamn let me check my phone
Oh, wait that's my unc' calling from Mexico
"Bueno?"
"Que dice, tio."
"Ya, si ya sabes todo calmado aqui."
"Aver cuando me hecho una vuelta por alla."
"Ya esta, orale."
(Mexican O.T in Background:)
"I'mma skeet with that choppa like I said salud"
"Breaking outta this bitch with the gang wearing azul"
"[?] I catch'em like Peek-A-Boo"
"[?] on the news..."

I'mma sneeze with that choppa like I said salud
Rocking outta the block with the gang throwing Azul
I'mma pop out when it's dark
Gotta catch him like peek-a-boo
Big choppa put his patnah on the news
With a whole lotta yappas and with a whole lotta choppas
O.T ready to shut this bitch down
I'mma slide to your block with this Glock I'mma up and then pop
O.T gon' put a man down
