

# Round And Round

That Mexican OT

You know I'm a menace why fuck with us  
Stepping on shit when it's smoke  
I put his lil blunt out  
All of my niggas face woods  
It's been ovastood  
I punch but I'm bringing 'dis gun out  
Ain't finna play with a opp not never  
Gon' D-I-E if he get in 'dis blender  
Tellin' my manager pimp ass we on a big bag  
Blowin' up 'fore it's December  
It's up!

Left my bitch but she suck dick so good  
I'm beating her next up  
Ain't finna stay in the hood but bitch we good  
I'm passin' out plates like a restaurant  
I like how they slid on that block  
Might pay 'em next time  
But fuck it I'm in that car next time  
You know how its Saxkboy gang & trigga gang we gon' aim at a face, what's a leg shot?  
Pussy  
He ain't talkin' 'bout shit but he claim he bang dese niggas just hoes not b ullies  
In his hood he ain't got no name or no aim, I was 13 clutching a fully  
And this bitch gon' keep this dick in her name  
She bidding on me 'cause I'm on it  
Most of these niggas ain't talkin' 'bout shit and they lame  
We knockin' off any opponent

Sendin' hits like yeah  
Bullets hit like yeah  
Bang a bitch like yeah  
Bang a bitch like  
Sending hits like  
Bang a bitch like  
Bullets hit like  
Bullets hit like  
Sendin' hits like  
Let's go

I eat a bitch booty like tacos, three deep ridin' with the heat in the Tahoe  
Draco unload, make it drop low  
Tippin' on fours, fours  
Lookin' for a fine hoe, bitch you know how it go  
Anyboy that got a issue, I'll knock of his dome  
Bullets running through his tissue, knocking out his chromosomes  
Got drums with the stick, I'm ready to rock n roll  
Pull the pump and pull up on a bitch, I'm ready to cock and blow  
I ain't into no fake fuckery, talk to the hand  
I'll beat a nigga up in the streets like Batman  
Facedown, ass up next to the trash can  
Pistol with the yoppas and choppas and get it crackin'  
(Pew Pew Pew)  
Yeah, big rocks, big diamonds  
She like 'em Mexican because I be shinin'  
I beat down the front, then I run through behind it

Off the drank I be swerving, I need an alignment  
Yeah, big choppa, bullets flyin'  
Whole lotta people dyin, mama's cryin'  
No food in my stomach, so I started grindin'  
She like how I eat the pussy with my diamonds

Bullets hit like yeah  
Bang a bitch like yeah  
Bang a bitch like  
Sending hits like  
Bang a bitch like  
Bullets hit like  
Bullets hit like  
Sendin' hits like  
Let's go
