Yeah, uh-huh, boom

Yeah, look, deuces and fours I'm out here moving slow
Graduated up to them pints 'cause now we making mo'
She said she want a cup, better be fosho
This shit here is more than your rent, but go ahead and pour
Red cream soda breaking down a kush boulder
Got your bitch as a roller ride by smell the odor
I ain't even gone hold ya I been fucking for months
Been fuckin' that bitch
Say they life be a movie but don't do enough stunts
I don't do enough shit

Hit the button lift the trunk
Let them ho's see the light
Yo that lack rolling smooth, think she taking a flight
Taking a flight
Riding dirty, sipping dirty got my eyes super tight
Yo y'all rookies to this game, still be pouring the Sprites

Oh no, you can't stop this drank
I pour a trey in my Chick-fil-A lemonade while I'm getting paid
Oh no, you can't stop this drank
I pour a trey in my Chick-fil-A lemonade while I'm getting paid

I'm a smooth talking Texan Mexican, she like my country grammar
She a freaky lil slut, she want me to fuck every-
time, I'm pulling out the camera
Stepped on it, hit the ho with the hammer, peanut butter jelly, I'm i
n the jammer
Sipping Actavis out this baby bottle, but I ain't wearing no Pamper
Drop it's like it's hot, she shaking ass like she's a dancer
I'm a gentleman but I'll dick her down like I ain't got no manners
I'm Southside stepping ahead like how I'm flexing. She like that I'm
Mexican
You can tell by the way I talk
By the way I walk that I'm from Texas
Look, aye what it is, aye what it was
Kicking back and cool sippin' out my double cup
Aye what it is, aye what it was
DJ screw in my cup, dirty boy, I'm sipping mud

Oh no, you can't stop this drank
I pour a trey in my Chick-fil-A lemonade while I'm getting paid
Oh no, you can't stop this drank
I pour a trey in my Chick-fil-A lemonade while I'm getting paid
