The 1975

(Frail state of mind)  
(Frail state of mind)

Go outside?  
Seems unlikely  
I'm sorry that I missed your call  
I watched it ring  
'Don't waste their time'  
I've always got a (Frail state of mind)

Oh boy don't cry  
I'm sorry, but I  
I always get this way sometimes  
Oh, I'll just leave  
I'll save you time  
I'm sorry 'bout my (Frail state of mind)

Stay at mine, you might just like it  
Might stop you being miserable  
'Nah, I'm alright...nah trust I'm fine'  
Just dealing with a (Frail state of mind)

Oh, don't be shy  
I'm sorry, but I  
I always get this way sometimes  
You lot just leave  
I'll stay behind

I'm sorry 'bout my (Frail state of mind)

(Frail state of mind)  
(Frail state of mind)  
(Frail state of mind)  
(Frail state of mind)

Oh, what's the vibe?  
I wouldn't know, I'm normally in bed at this time  
You guys, go do your thing  
And I'll just leave at nine  
Don't wanna bore you with my frail state of mind

'Oh winner winner! That's your biggest lie!'  
I'm sure that you're 'fine'  
I haven't told a lie in quite some time  
'You know we'll leave, if you keep lying  
Don't lie behind your (Frail state of mind)'
