

# I Keep Rolling

The 502s

Sipping on a dollar AriZona Tea  
Tastes like the way things should always be  
Losing to my sister at Monopoly  
Every time, it happens to me

First comes just one big idea  
It's a little crazy but it starts to feel  
Kinda right, Kinda real  
Kinda like it was meant to be

I don't wanna know  
I don't have a doubt about it  
I don't wanna hear  
I don't have a fear about  
All of my dreams coming true

I keep rolling  
I keep rolling  
I don't stop  
No I keep going  
I keep moving  
I keep strollin'  
Time don't stop  
So I keep going

Put your hands up in the air  
You said, "We're all robbers here  
Stealing as much time as we can"  
Oh I never ever want this night to end

I might go when I'm 95  
Hell, I might get gone tonight  
But if I waste my days, then I waste my life  
And if I waste my life, that's just not right

I don't wanna know  
I don't have a doubt about it  
I don't wanna hear  
I don't have a fear about  
All of my dreams coming true

I keep rolling  
I keep rolling  
I don't stop  
No I keep going  
I keep moving  
I keep strolling  
Time don't stop  
So I keep going  
In my days I have fun  
I've got rabbit in my blood  
I keep rolling  
I keep rolling  
I don't stop  
No I keep going

I keep rolling

I keep rolling  
I don't stop  
No I keep going  
I keep moving  
I keep shaking  
I'm just bringing home that bacon  
In my days I have fun  
I've got rabbit in my blood  
I keep rolling  
I keep rolling  
I won't stop  
Oh I'll keep going  
I'm John Wayne  
I just gallop  
I don't even need a saddle  
I've got better moves than Elvis  
If he was here then he would tell us  
Turn it up  
Sing along  
Let's just make our lives a song  
Pack your back up Double As  
If you want to keep my pace  
Cause I keep rolling  
I keep rolling  
I don't stop  
No I keep going  
I keep moving  
I keep strolling  
Time don't stop  
So I keep going  
I keep rolling  
I keep rolling  
I'll keep rolling  
Oh I'll keep rolling
