

# Olivia

The 502s

I see Olivia  
In the fire in the flood  
I see Olivia  
Just watching from above  
I see Olivia  
I'm her diamond in the rough  
And I'll be there in the morning if she comes  
And there's nothing I could ever do  
To save you from the truth  
Oh I'm in love

I see Olivia  
Throw her hands up in the air  
I see Olivia  
Twirl around like she don't care  
I see Olivia  
Just dancing like she does  
And I'll be there in the morning if she comes  
And there's nothing I could ever do  
To save you from the truth  
Oh I'm in love

Any boy could give you all his love  
And you don't know the things that I'm made of  
I'll get up on my knee, treat you like a lady wants  
There's a difference between lust and love

I see Olivia  
As she walks across the floor  
I see Olivia  
And I wonder through the door  
I see Olivia  
And I'm drowning in her flood  
And I'll be there in the morning if she comes  
And there's nothing I could ever do  
To save you from the truth  
Oh I'm in love

Any boy could give you all his love  
And you don't know the things that I'm made of  
I'll get up on my knee, treat you like a lady wants  
There's a difference between lust and love  
There's a difference between lust and love  
There's a difference between lust and love  
There's a difference between lust and love

Any boy could give you all his love  
And you don't know the things that I'm made of  
I'll get up on my knee, treat you like a lady wants  
There's a difference between lust and love  
There's a difference between lust and love  
There's a difference between lust and love  
There's a difference between lust and love
