

Dance d'Amour

The 69 Eyes

Your lips shine like Paris
Mon amour a toi toujours
Mon chérie
But your tears bring a little London for me
Berlin can never be so cold as you reach

Baby would you dance with me to the night
Into the serious moonlight
Brighter than the stars above you shine?
And the loving feels alright

Give me the moment that the world won't need
Ce soir
Tu es à moi
Ma chérie
But your fears ain't no strangers for me
Morning can never be as cold as you leave

Baby would you dance with me to the night
Into the serious moonlight
Brighter than the stars above you shine?
And the loving feels alright

Won't you run away?
