

Stigmata

The 69 Eyes

See my moment rise
With a little Jesus Christ
Blood is life
Blood is the truth
Gimme a moment, moment for you
And for
Maria too..

Stigmata-blood and gasoline
A thought of you and the fire between
Stigmata-blood and gasoline
A thought of you and the fire between

See the moment rise
In a little Jesus Christ
Blood is life
Blood is you
And for Maria too...

Stigmata-blood and gasoline
A thought of you and the fire between
Stigmata-blood and gasoline
A thought of you and the fire between
