

The Hills Have Eyes

The 69 Eyes

C'mon babe take a lil' ride with me
To the desert there's no one to see

Hills have eyes
Hills have eyes

A radioactive family's chasin' me
They really know how to cook lil' babies

Hills have eyes
Hills have eyes

C'mon babe take a lil' ride with me
To the desert there's no one to

A radioactive family's chasin' me
They really know how to cook lil' babies

Hills have eyes
Hills have eyes
