

Too Sick for You

The 69 Eyes

Coz for you baby, I'm just so, caring at all

Coz you dont know,
What's behind
You dont know,
Whats in my mind

Leave me alone, sweet baby, coz I'm too sick for you
Leave me alone, sweet child, coz I'm too sick for my mind

You think baby, I'm just a godamn fool
Coz you'll never understand
To be so cool like I am
Yeah
That's just too much for you
Bitch

Coz you dont know,
What's behind
You dont know,
What's in my mind

Leave me alone, sweet baby, coz I'm too sick for you
Leave me alone, sweet child, coz I'm too sick for my mind

Leave me alone, sweet baby, coz I'm too sick for you
Leave me alone, sweet child, coz I'm too sick for my mind

Leave me alone, sweet baby, coz I'm too sick for you
Leave me alone, sweet child, coz I'm too sick for my mind
