Afterlife

Honey I don't think it's funny Where is all the money I need you to save me Don't be how's the dope below me Take it out to show me Dying just to throw me Downcast whiplash and down in the stall You'll believe me Baby I need hope to save me Tell me I'm not crazy I know that it's sold It's very soon very soon Afterlife I saw big Things and they were coming for me And tar in tile life Afterlife
