

# Do What You Want

The Academic

You don't have to talk about the future  
If it doesn't suit ya  
You can just go back to school  
You don't have to go and do the dishes  
You can have three wishes  
And you can waste 'em all

I always used to think that 1 and 1 was 2  
I used to dream that I would never break the rules  
I used to make arrangements but I always knew  
I'd never make it if I'm singing out of tune

You don't have to talk about the future  
If it doesn't suit ya  
You can just go back to school  
You don't have to go and do the dishes  
You can have three wishes  
And you can waste 'em all

Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!

I used to stay inside and never leave my room  
I used to stand in line and never skip the queue  
I used to make connections but I always knew  
I'd never make it if I'm singing out of tune

You don't have to talk about the future  
If it doesn't suit ya  
You can just go back to school

Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!

I can see it in your eyes you don't believe  
Believe in what you're living  
So you cry  
It's gonna be alright

Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!  
Oh oh oh oh do what you want!  
Oh oh oh oh do what you want!  
Yeah you can do what you want!

Oh oh oh oh do what you want!

Yeah you can do what you want!

Oh oh oh oh do what you want!

Yeah you can do what you want!

Oh oh oh oh do what you want!
