

Fake ID

The Academic

Bring your fake ID with you tonight and we'll dance
If you play it cool we'll get in with a chance
And it's hard to act my age when I look like a 12 year old
And I hate it when I don't get in, left stranded in the cold

You're telling me your secret
I do know if I can keep it

Some day soon you're gonna realize
You would have had me fooled if it wasn't for your eyes
So fake ID, oh can't you see I hate these city lights
And I wanna see you work for me but I can't get it right

You're telling me your secret
I do know if I can keep it

I've been around in this city
It's something about you, don't seem right
I couldn't tell if you were pretty
It's something about you, don't seem right
But maybe it's not my night

You're telling me your secret
I do know if I can keep it

Bring your fake ID with you tonight and we'll dance
If you play it cool we'll get in with a chance

I've been around in this city
It's something about you, don't seem right
And I couldn't tell if you were pretty
It's something about you, don't seem right
But maybe it's not my night
