

I Don't See Good

The Academic

When we were kids we used to play with toys
Running down the road, making lots of noise
I told you that I'm not going nowhere
I can keep you in my dreams, but not in a prayer

You know I don't see good
And when I kiss you I feel evil
Something inside of you
Makes me go insane

I kiss you underneath the apple tree
You have no idea what you're doing to me
Will there be a time when we're not running scared?
I've got a diary of secrets and a lock of your hair

You know I don't see good
And when I kiss you I feel evil
Something inside of you
Makes me go insane

You know I don't see good
(I don't see good)
And when I kiss you I feel evil
(And when I kiss you I feel evil)
Something inside of you
(Something inside, something inside)
Makes me go insane
(Makes me go insane)

Ah, you know I don't see good
(I don't see good)
And when I kiss you I feel evil
(And when I kiss you I feel evil)
Something inside of you
(Something inside, something inside)
Makes me go insane
(Makes me go insane)
