Sunroof

The Academic

You were so California, I was so New York
You could make up the words when I had writer's block
You were out of control, never catchin' a breath
Sayin' "That's just how it goes, we've got to let it roll"

You wanna be there, oh
You wanna celebrate
You'll be the life and soul, and then you'll walk away
Your ears are burnin' but it's not another Watergate

Screamin' from the sunroof
Pretending I don't know you
Tell you that it's all cool
I don't wanna slow you down
Screamin' from the sunroof
Screamin' from the sunroof

You were so uninspired by the company
Fall asleep in your hands, would do it casually
You could find an excuse, while never breakin' a truce
You've been makin' other plans, you've got to meet demands

You're happy now, you've made yourself the centerpiece
Introverted, but you're actin' like a type B
Pull out the complicated and ready for the [?]

Screamin' from the sunroof
Pretendin' I don't know you
Tell me that it's all cool
I don't wanna slow you down
Screamin' from the sunroof
Screamin' from the sunroof

Screamin' from the sunroof
Screamin' from the sunroof
Pretendin' I don't know you
Tell me that it's all cool
I don't wanna slow you down

Screamin' from the sunroof
It's not that I don't want to
I'm just afraid I'll never catch you
I don't wanna slow you down

Screamin' from the sunroof
Pretendin' I don't know you
You tell me that it's all cool
I don't wanna slow you down
Screamin' from the sunroof
