

# Going Home

The Aces

Say so, don't go  
I know you won't  
You push, I pull  
You in so close, I know  
You've seen me in  
My darkest places, won't lie  
All my demons  
They're too familiar  
But you've never held me  
To a filter, you say  
Let it all out, no need  
To fight it just cry

Well, you could name a place and time  
There's nowhere that I wouldn't go  
As long as it's just you and I  
It feels like I'm going home  
Well, you can turn the keys and drive  
It doesn't matter where we go  
As long as it's just you and I  
It feels like I'm going home

Fuck anyone who says  
They doubt you  
I love everything about you, you know  
Even all of the things you say  
You don't like  
I love that you never  
Pretend with me  
Not even from the start  
You taught me to be  
Nothing but me

Well, you could name a place and time  
There's nowhere that I wouldn't go  
As long as it's just you and I  
It feels like I'm going home  
Well, you can turn the keys and drive  
It doesn't matter where we go  
As long as it's just you and I  
It feels like I'm going home

Oh, I dream of growing old by your side  
My one and only, my ride or die  
Oh, I will always be by your side  
Oh, I dream of growing old by your side  
My one and only, my ride or die  
Oh, I will always be by your side

Well, you could name a place and time  
There's nowhere that I wouldn't go  
As long as it's just you and I  
It feels like I'm going home  
Well, you can turn the keys and drive  
It doesn't matter where we go  
As long as it's just you and I  
It feels like I'm going home

Oh, I dream of growing old by your side  
My one and only, my ride or die  
Oh, I will always be by your side  
Oh, I dream of growing old by your side  
My one and only, my ride or die  
Oh, I will always be by your side
