

# Holiday

The Aces

Firecrackers go off in my mind  
Postin' all of the time so you'll see it  
Do you think of me once in a while?  
Oh, you do? Not sure if I believe it

You say you're fine to go back in time  
You gotta get it right, even for the night  
Don't give me fire and act all ice  
I can't keep up, so indecisive

You say you want a holiday, want a holiday  
I know just how to be your escaper  
But you don't, don't do anything, give me anything  
And I can't be wastin' time if it's fake  
There's nothin' that I can do  
I just wanna be close to you  
I'm surrounded and so confused  
I just wanna be close to you

I can't focus of think of my own life  
TV shows to distract me from false screens  
I should feel good for a second  
Because I'm feelin' nothin' for the rest of the day

You say you're fine to go back in time  
You gotta get it right, even for the night

You say you want a holiday, want a holiday  
I know just how to be your escaper  
But you don't, don't do anything, give me anything  
And I can't be wastin' time if it's fake  
There's nothin' that I can do  
I just wanna be close to you  
I'm surrounded and so confused  
I just wanna be close to you

I know you don't want me to go  
I know you don't want me to go  
I know you don't want me to go  
I know you don't want me to go, baby

You say you want a holiday, want a holiday  
I know just how to be your escaper  
But you don't, don't do anything, give me anything  
And I can't be wastin' time if it's fake  
There's nothin' that I can do  
I just wanna be close to you  
I'm surrounded and so confused  
I just wanna be close to you  
I just wanna be close to you
