

I Can Break Your Heart Too

The Aces

Cut you off, and you're acting different
Cut you off, and you want commitment
Use caution every time that we're kissing
Use caution when I say I miss it, oh
Can't take it, but you sure can dish it
Always making new terms and conditions
Was hoping things could be different
But I'm done wishing

All the games you play are boring
If you're calling, I'm ignoring
'Cause you're just not as important
As you think you might be

Set it up to break me down
You don't want me
Then you want me now
But you can't have your cake
And eat it too
My life isn't always about you
I can break your heart too

You know they say that love is blind
But I don't really think that applies
It's not love between you and I
More like eye for eye

All the games you play are boring
If you're calling, I'm ignoring
'Cause you're just not as important
As you think you might be

Set it up to break me down
You don't want me
Then you want me now
But you can't have your cake
And eat it too
My life isn't always about you
I can break your heart too

Thought you were everything I wanted
Everything I needed
Wondering if there's something
I could have said
'Cause I just can't shake this feeling
Staring at the ceiling
Play it like a movie back inside my head
Nah, nah, never mind

Set it up to break me down
You don't want me
Then you want me now
But you can't have your cake
And eat it too
My life isn't always about you
I can break your heart too
