

Stop Feeling

The Aces

Stay up on a Friday night
Got nowhere to go
So I stay up 'til I see the light
What to get up for I don't know

So what's stopping, what's stopping, what's stopping
Me from sinking?
So what's stopping, what's stopping, what's stopping
Me from drowning?

I don't know how to stop this feeling
So I'm gonna stop feeling
I don't know how to stop this feeling
Making lose its meaning

And everywhere I go
Looking for the answers, what I get back I already know
I don't know how to stop this feeling
So I'm gonna stop feeling

The days, they go on and on
I don't wanna believe it
I'm self medicating to get through
And it's all I'm really wanting to do now

So what's stopping, what's stopping, what's stopping
Me from sinking?
So what's stopping, what's stopping, what's stopping
Me from drowning?

I don't know how to stop this feeling
So I'm gonna stop feeling
I don't know how to stop this feeling
Making lose its meaning

And everywhere I go
Looking for the answers, what I get back I already know
I don't know how to stop this feeling
So I'm gonna stop feeling

I've been counting stars
This world keeps on breaking my heart
I don't know, if I can do it again
If I can get out of bed, if I'm ready for this

No, I'm not
No, I'm not
No, I'm not
I tried, I did
Oh, I wish I was stronger
I wish I could stop this feeling

I wish I could stop this feeling
I wish I could stop this feeling
