The Adicts

Isn't it strange But it makes a change From the usual mediocraty Sing about big brother Or sing about some other Brave new world Medieval factions With nuclear reactions Make interesting subjects This is civilization Or imagination Or some old melodrama The future enslaves us Will something ever save us From a fate worse than life We don't understand But we should demand To know the reason

Odd couple thats you and me Odd couple we're different, you and me.
Odd couple thats you and me Odd couple we're different, you and me.
That's you and me.
