

Stomper

The Adicts

I don't care if it makes you crazy
I'm not bothered if you think I'm lazy
I won't grow up and you can't make me

I'm getting off I'm getting on
I know I'm right, I know you're wrong
I wanna fight, and I wanna win
I wanna play, and I wanna sin

I don't care if it makes you crazy
I'm not bothered if you think I'm lazy
I won't grow up and you can't make me
So leave me alone

I'll stamp my foot, you'll run away
I clap my hands as if to say
You don't have it no no no
Time for you to go go go

I don't care if it makes you crazy
I'm not bothered if you think I'm lazy
I won't grow up and you can't make me
So leave me alone
