

## Last Mistake

## The Advent

Oh oh oh, oh oh-oh-oh-oh  
Oh oh oh, oh oh oh  
I was so high before you spoke  
You pulled me in, fixed what was broke  
Said all the right things, like some kind of magic  
But now it feels tragic  
It all starts like this, can't get you off my mind  
I can't admit, that I knew the entire time  
We go in circles, 'til somebody breaks  
I'm gonna make you, my last mistake  
Oh oh oh, oh oh-oh-oh-oh  
Oh oh oh, oh oh oh  
Sing to me slow, tell me sweet lies  
Said you won't let go, looked into my eyes  
Head in the clouds, seeing what we want to  
Didn't know the real you  
It all starts like this, can't get you off my mind  
You won't admit, that I knew the entire time  
We go in circles, 'til somebody breaks  
I'm gonna make you, my last mistake  
Oh oh oh, oh oh-oh-oh-oh  
Oh oh oh, oh oh oh
