

Overcome

The Advent

OVERCOME

The foolishness of the cross?

Salvation for the lost?

Are we deceiving ourselves for our cause?

I still believe in a GOD i can't see.

What foolish things do i cling to?

I stand accused, i'm a fool this cross i cling to (2x)

Will not be removed.

I cling to YOU

I am rooted in the truth.

In the truth

You, ancient of days.

I steep my heart in your almighty ways.

Spit in the face of the

Saviour

Spit in the face of the

Save Your

Spit in the face of the

Saviour

Spit in the face of the

Save Your Breath

Save you mockery

Saviour. Saviour

Save me. Save me from myself.

Overcome

I am not ashamed. To live is Christ, to die is surely gain.

Overcome

this worthless sense of grief

Stare death in the face. I am not afraid

Overcome

We will stare death in the face (2x)
