

Eve

The Afterimage

"Hello?" "I've been waiting so long to speak to you, it's been months since I heard your voice."

It's like my heart sang, for a life time
Overwhelming me. Every second I realised what I was searching for was beyond me

"I said that I've always been worried about you and after all this time, I just thought you might know that
This was the right thing to do."

"Replacing me with another man? That was the right thing to do?
"

And I'm always wondering if I'm worth your time

"I didn't know how to tell you but I couldn't make you happy anymore

You were getting worse and I couldn't manage."

"You gave up on me, You gave up on us. You replaced me and I keep thinking over and over..."

Calmly, silently and patiently wondering if I'm worth your time
