

# Broken Hallelujah

The Afters

I can barely stand right now  
Everything is crashing down  
And I wonder where You are

I try to find the words to pray  
I don't always know what to say  
But You're the one who can hear my hear

Even though I don't know what Your plan is  
I know You make beauty from these ashes

I've seen joy and I've seen pain  
And on my knees I call Your name  
Here's my broken Hallelujah  
With nothing left to hold onto  
I raise these empty hands to You  
Here's my broken  
Here's my broken Hallelujah  
Hallelujah, Hallelujah, Hallelujah

You know the things that have brought me here  
You know the story of every tear  
'Cause You've been here from the very start

Even though I don't know what Your plan is  
I know You make beauty from these ashes

I've seen joy and I've seen pain  
And on my knees I call Your name  
Here's my broken Hallelujah  
With nothing left to hold onto  
I raise these empty hands to You  
Here's my broken  
Here's my broken Hallelujah  
Hallelujah, Hallelujah, Hallelujah

When all is taken away, don't let my heart be changed  
Let me always sing Hallelujah  
When I feel afraid, don't let my hope be erased  
Let me always sing Hallelujah

Hallelujah (repeat)
