

Dancing on Top of the World

The Afters

Life is an adventure, in every direction
Follow me to find it, I'll be right here
Out into the wild, gravity is pulling
But we keep going higher in this atmosphere

Like a shooting star
Wherever you are
I'll carry your heart
Wherever you are

Dancing on top of the world (Oh)
Dancing on top of the world (Oh)
(Dancing, dancing oh)
Dancing on top of the world
(Dancing, dancing oh)

So many emotions, floating through this ocean
The only thing I know is, that when I'm with you (Yeah)
We could be anything, that we really want to be
And I will go anywhere, if you run away with me

Like a shooting star
Wherever you are
I'll carry your heart
Wherever you are

Dancing on top of the world (Oh)
Dancing on top of the world (Oh)
(Dancing, dancing oh)
Dancing on top of the world
(Dancing, dancing oh)

(I got that rhythm in my heart)
(I felt that beating from the start)
(I've got forever in your arms)
Dancing on top of the world
(We got that rhythm in our hearts)
(We felt that beating from the start)
(We got that love that never stops)
Dancing on top of the world

(I got that rhythm in my heart)
(I felt that beating from the start)
(I've got forever in your arms)
Dancing on top of the world
(We got that rhythm in our hearts)
(We felt that beating from the start)
(We got that love that never stops)
