

I Run To You

The Afters

When the road has left me empty
When I'm broken, tired, down and out
When the darkness feels too heavy
Where will I go?
Where will I go?
Where will I go?

When my friends were strong and steady
I was confident and reckless with my heart
But now they've gone and left me
Where will I go?
Where will I go?
Where will I go?

You welcome me back home
You tell me I belong
You forgive all my wrongs
I run to You
I run to You
I run to You
No matter where I've gone
You've waited all along
You open up Your arms
I run to You
I run to You
I run to You

You were there, You always loved
Gave me everything I could ever want
But I thought that I knew better
But I didn't know
I didn't know
I did not know

You welcome me back home
You tell me I belong
You forgive all my wrongs
I run to You
I run to You
I run to You
No matter where I've gone
You've waited all along
You open up Your arms
I run to You
I run to You
I run to You

I run to You
I run to You
I run to You

You welcome me back home
You tell me I belong
You forgive all my wrongs
I run to You
I run to You
I run to You

No matter where I've gone
You've waited all along
You open up Your arms
I run to You
I run to You
I run to You
I run to You
I run to You
I run to You
