

# Live On Forever

The Afters

Dark days are gonna go away  
They won't have the final say  
These bones were always gonna fade  
'Cause we were made for another place  
The moment of our final breath  
When all our fears are put to rest  
Every tear will disappear  
Heaven is real

We're gonna live on  
Forever, forever, forever  
We're gonna live on  
Forever, forever, forever  
We are not where we belong  
We have a hope we're gonna live on  
Forever, forever, forever

Breathing air we have never breathed  
We'll see colors we've never seen  
Every sound like a symphony  
Rising up as the angels sing  
The arms of grace are open wide  
The face of love before our eyes  
Where every tear will disappear  
Heaven is real

We're gonna live on  
Forever, forever, forever  
We're gonna live on  
Forever, forever, forever  
We are not where we belong  
We have a hope we're gonna live on  
Forever, forever, forever

Our hearts have been set in motion  
For something more, for something more  
Than we could ever imagine  
There's so much more, there's so much more  
[x2]

We're gonna live on  
Forever, forever, forever  
We're gonna live on  
Forever, forever, forever  
We are not where we belong  
We have a hope we're gonna live on  
Forever, forever, forever
