Don't Hold Back

The Alan Parsons Project

Some are born to lose their heads
And some are born to use them
And some will never know their ends
And some are born to choose them

Don't let your fantasies be blinded by the light You don't have to save your wildest dreams for the night

Don't hold back don't hold back don't hold back reach out Touch the sky with your mind's eye, don't be afraid to reach out t

Some you wind and some you lose
And some will bring you sorrow
Some are born to lead the rest
And some are born to follow
Don't rely on miracles to open any door
And don't your let a shadow be your guide anymore

Don't hold back don't hold back don't hold back reach out Touch the sky with your mind's eye, don't be afraid to reach out t

Ride the wave of destiny
Rise above the crest
And believe everything that happens to you happens for the best
Don't allow the world of men
To turn your head no more
Cause if you can't let yourself go
What are you saving yourself for?

Don't hold back don't hold back reach out Touch the sky with your mind's eye, don't be afraid to reach out t

Don't you let your fantasies be blinded by the light For you don't have to save your wildest deams for the night

Don't hold back don't hold back don't hold back reach out Touch the sky with your mind's eye, don't be afraid to reach out t
