## **Some Other Time**

## **The Alan Parsons Project**

In the matter of a moment
Lost till the end of time,
It's the evening of another day
And the end of mine.

Now the starlight which has found me Lost for a million years Tries to linger as it fills my eyes Till it disappears.

Could it be that somebody else is Looking into my mind?

Some other place, Somewhere, Some other time.

Some other place, Somewhere, Some other time...

Like a mirror held before me Large as the sky is wide... And the image is reflected Back to the other side.

Could it be that somebody else is Looking into my mind?

Some other place, Somewhere, Some other time.

Some other place, Somewhere, Some other time...
