

Years Of Glory

The Alan Parsons Project

Beyond the years of glory
Will your cards be close at hand
Will you tell a different story
Walk into heaven hand in hand
Will you choose to play the victim
Will you choose to fly white flags
Will you choose to live by truth or dare
Fly in your dreams, or just not care

I can look back on years gone by
I can look back try to smile
Nowadays my life is lost in love
As I watch the time roll by

It goes by
Watching your light shoot across the sky
It goes by
Forever I will always wonder why
Wonder why

Beyond the years of glory

Will you tell a different story
Walk into heaven hand in hand
Will you choose to play the victim
Will you choose to fly white flag
Will you choose to live by truth or dare
Fly in your dreams, or just not care
