

## Beyond The Years

The Alchemist

Hardships there  
Everyday will be Sunday  
Is that right, that right, that right [echo]  
(Applause)  
Jesus drew that's why the dawn I see  
Held so strong am I  
All fears gone I pray  
Where will you be in a few years time  
Wandering along in a pointless line  
Faith of your fathers will you still find  
In a few years time  
A few years time  
Brought to this place out of Egypt land  
The promise of life you have in your hand  
Now thrown away for the desert sand  
Where is your land?  
Where is your land?  
Spirit sees that's why  
Jesus drew that's why the dawn I see  
Beyond this life's season too  
Beyond the... Christ's see that too  
Beyond the years  
Beyond the years

Somebody put of the fire and the joy watching Miami  
Fire  
Fire from the Statue of Liberty  
Water boil  
Let the water come from Mississippi  
Got to have the water  
I've gots to have the
