

Bubble Bath

The Alchemist

Way back, way back into time (We gon' do this shit now, man, fuck that)

Damon, Cruse, go pass the ball

Uh, bubble bath, uh

Uh, quick splash, bubble bath

Bubble bath (Bubble bath), uh, uh

Yo, yo, got twelve on the tail (Woop, whoop)

I'm smelling like fish-

scale, there's always a twist to a swell Vin' film

Before we bail, I did a line off my lady titty like Ricky Bell

Baby girl get busy as well

They ain't got shit on me, hell, I may as well be strippin' in Chippendales

Naked with nothing but just a Richard Mill' (Woo)

Bitch, I'm rich for real, you just pigeon shit on the windshield

Icy wrist chill on the Benz steering wheel

Wheel and deal, paint the V12 teal (Paint it)

Bentleys, females, Achilles' heel (Ow)

You know the drill, it's kill or be killed, that's Fendi belt (Facts)

This a level above material wealth (Way back into time)

Inside my mind is a diamond mine

This is a homicide (Murder)

Took it to trial, beat it like Amistad (That's free)

Ask my top five, bet I reply "Me" five times like Dylan

I'm going on a diatribe (Marci')

I'm from the wire, I'm a snob, rockin' suave (Suave)

Your watch ain't worth a box of my cigars (It ain't)

After your songs I wash my ears with peroxide, with a cotton swab

Now wanna ear not a raasclaat

Hear the slides on the God (Uh)

These are not made by La Casa, Aza (Nope)

He ain't hottest on stage like a psy-op

You ain't never slide on an opp, you fired (Never did that, never did that)

You ain't slide on no opp and fired (Fuck that)

Know what I'm sayin'? (Know what I'm sayin'?)

Pull up and push your shit (Way back, way back into time)

Bubble bath, quick splash, bubble bath

Bubble bath, quick splash, bubble bath

My pens, that's the most important thing to me right now

This is my new pen that I bought, if you can see it

It's, it's got a hundred dollars all over it

I'm putting in work man, you know, what I mean?

My pen burns with desire
I love my room 'cause-
