

Do My 1,2

The Alchemist

ALC and the S-E-double B...

Just pay attention real quick... (Let's go)

I feel like P-A-C, All Eyez is On Me

Like D.O.C. when he met the D-R-E

The top prospect stepping through the NYC

Said these streets give a fuck about the NYP

D Blues, making moves like the Running Man, I'll stay on my two
s

'Cause if I get caught, I'm making the news

Let the people talk about me all that they want to

All they gotta do is spell my name right and I'm cool

Like the summer breeze soak in the coupe

The vultures on the prowl looking for something to scoop

Diggin' in the crates for something to loop

That's how I bag all the broads, 'cause I ain't got nothin' to
prove

Now I'm back up in the booth corrupting the youth

Update the youngin's, I keep them up in the loop

I'm an outcast, so I don't keep up with the group

Drink like an Alkaholik, smoke like my cousin Snoop

[Prodigy:] "I don't play, I stay, I'm going for mine"

"They hatin' 'cause I'm on the grind"

"I've seen niggas come and go, but I'm a stayer"

"Won't stop"

[Prodigy:] "I don't play, I stay, I'm going for mine"

"They hatin' 'cause I'm on the grind"

"I've seen niggas come and go, but I'm a stayer"

[Noreaga:] "You ain't ready yet, slow down..."

[Jadakiss:] "Pay attention"
