

# Everything

## The Alchemist

Since you became alive again so to speak  
Like Christ arose from the dead  
Now set your sights on the rich treasures and joy of heaven  
Where he sits beside God in the place of honor and power  
Where he sits beside God (beside God)  
God is my joy in times of trouble  
He is my home and he's the same Jesus

He is my everything  
He is my everything

Time after time  
I so often forget that God has never, never failed me yet  
When the weight of the world (weight of the worlds)  
Falls on my shoulders  
He props me up and makes me stronger

He is my everything  
He is my everything

I come in the name of Jesus by the power of all this here  
Whose name you coming in?  
(Cheers and applause)  
By whose power?
