

## Flight Confirmation

The Alchemist

I popped a E pill and it taste like some oil sheen  
Flow boiled goya beans, gasoline in saline  
Red lining, red beans, phantom, raw OG's who ain't snitched, ni  
gga  
Everybody know, you just snitch, nigga  
Heart rate Adderall got me on some stargate  
Pacing, smoking loosies back to back  
Car chase, monopolize, 'bout to take your park place  
Shark face bite the style, but these niggas second rate  
I cannon balled in the pool of fucking rap  
And I splashed on these niggas, head first, no depth, nigga  
That's why I'm black, nigga, cause y'all wack, nigga  
Met Alchemist '07 in Miami  
50K jewels on nigga, ask 'em about Danny  
Now I'm on some Bruiser, hair looking Yakuza  
Jeans extra tight and ya bitch got a ruler

Shimmy shimmy ya, shimmy yeah, shimmy Q  
I guess it's time to kill this shit  
Real as this, game fears, put in work  
Determined I been the fierce, me getting it up is limitless  
Before I started eating pussy, I was hitting licks  
211's on bitch niggas, whipping with antennas  
Didn't your momma tell your ass not to hang with them gang memb  
ers?  
Didn't listen, head missing, flatlining, Grooveline  
Bad twins they too fine, dummy stay on my mind  
More shots of Patron, six is my gat drive  
Click-click, reload mine, green light, no stop signs  
Hey Danny, let's shoot these fucking Xannies  
And call that bitch from Kendrick's song, I bet it dub, we fuck  
on Tammy  
Asthma pumper, hand prints all over her bumper  
She love me long time, I'm forever that mothafucka

Smoking keeping my cool  
Black Hippy the New School Q
