Come on, ice, platinum (Y-Y-YOU'RE ON!)
Single drop, I won't flop (Y-Y-YOU'RE GONE!)

I'm here to address all speculations
Now y'all muthafuckas got the game fucked up

And, and that bitch is right here with me
Don't make me curse your ass out on my record like 50

Big dreams with me, marksmen with me
Fuck the bullshit you yappin' about
