

Obsession

The Alchemist

Yeah, yeah, yeah

The hell do you wanna quit?

You're making more goddamn money than you ever made in your life

Yeah, yeah, yeah, yeah

The stage was set when I took my first breath

I was obsessed, how much money could I get?

I was obsessed, how could I make my paper stretch?

I was obsessed, how many plays could we catch?

The stage was set when I took my first breath

I was obsessed, how much money could I get?

I was obsessed, how could I make my paper stretch?

I was obsessed, how many plays could we catch?

Preoccupied, see dollar signs in my eyes

Stay on my mind, focused, though I'm always high

Nigga, what's new? You walked past it before you came inside

That ZR1 in my driveway that I just got today

Could do it like we got no sense or do it the cool way

Nobody get hurt and all the real hustlers get paid

The game, Sosa laid the tone and while over them, Omar Suarez body was swinging

From the helicopter from people not doing they business proper

Learn how to extract them jewels from the movies you watching

Andretti and Alchemist formed a monopoly

The stage was set when I took my first breath

I was obsessed, how much money could I get?

I was obsessed, how could I make my paper stretch?

I was obsessed, how many plays could we catch?

The stage was set when I took my first breath

I was obsessed, how much money could I get?

I was obsessed, how could I make my paper stretch?

I was obsessed, how many plays could we catch?

Uh

Da-da-da, da-da, da-da, da-da, da-da, da-da

The stage was set when I took my first breath

I was obsessed, how much paper could I get?

I was obsessed, how could I make my paper stretch?

I was obsessed, how many plays could I catch?

Preoccupied, I had dollar signs in my eyes

Focused, though I'm always high

He passes slower cars and zooming up

He really puts his foot in on the straightaway
