Fix your act, kid, I'm a handyman (Fix you)  
Apparently, I'm mechanically advanced, minus the hand transplants (Uh )  
At first glance, they thought my band was Duran Duran  
But why rant?  
What man could check me? I'm like Durant  
Got tramps like I ran the bunny ranch  
I'm no motherfuckin' Huggy Bear  
The hammer rusty

Steel vagina, iron pussy  
You good and sweet, you should be on a cookie sheet  
I'm not an easy book to read (Not)  
That's what you get for playin' hooky  
Come in my hood if you thinkin' it's chivalry  
You assume it's a movie where dues be  
Catchin' bullets from the Uzi with your teeth  
Who you think you beatin', Bruce Lee?  
The three hit your seed in the booster seat  
Wake you up early like when the rooster scream  
We was just shootin' a breeze, goin' through the routine  
Like two teens playin' Call of Duty, but all of these is real toolies  
(All 'em)  
The road was hard, but that was Allah groomin' me  
When you have true inner beauty, no man can remove your jewelry  
No matter how keen the ingenuity (Facts)  
Denim two G's, goofy, these ain't Nudie Jeans  
My dookie don't even stink (No)  
Might leave you with your zucchini baked  
The front page of the news reads, "Houdini escapes" (Voila)  
Free from chains (Free)  
The Jesus piece on the Cuban link, this is freezing rain  
Over these freaks, I've been given free reign (Woo)

Nigga, that's free game (That's free game, nigga)  
Go 'head, feed your brain
