

Eye to Eye

The Almighty

lyrics : Warwick/Friesen - music : Warwick/Friesen

What the fuck is going on?

You've been high and mighty now

For far too long

And I know the reasons why

You saw too many clouds

And not enough sky

How does it feel?

How does it feel?

How does it feel to be a problem?

(chorus)

You stoned me to my soul

Like fucking for virginity

We don't see

Eye to Eye

What will it take to make you see?

That all the bones I picked with you

Belonged to me

So where the fuck are you coming from

If ignorance is bliss

You must be comfortably dumb

(chorus)

(chorus)

You stoned me to my soul

Like fucking for virginity

We don't see

So just go forth and multiply

Coz we don't fucking see

Eye to Eye
