

# Bloodrush

## The Amazons

Wrote a letter  
Did you read it alone?  
Does it matter  
If we speak on the phone?

Lie to me, lie to me  
Tell me anything, just lie to me  
'Cause all I need, all I need  
Anything you give is everything

For all of those times, the ones we can't win  
Well it's about time we got a bloodrush in  
And I really don't mind whatever you did  
'Cause it's about time we got a bloodrush in

Try to settle  
Here with you over there  
In the middle  
And we're struggling for air, for air

Lie to me, lie to me  
Tell me anything, just lie to me  
All I need, all I need  
Anything you give is everything

For all of those times, the ones we can't win  
Well it's about time we got a bloodrush in  
And I really don't mind whatever you did  
'Cause it's about time we got a bloodrush in

Holding on is all we've known  
I've got a feeling I can't waste  
Try to fight, all along  
Free your shoulders from the weight

For all of those times, the ones we can't win  
Well it's about time we got a bloodrush in  
And I really don't mind whatever you did  
'Cause it's about time we got a bloodrush in

Ooh-ooh, ooh-ooh  
'Cause it's about time we got a bloodrush in
